**Permit Number:** OCRM-08-915-G  
**Permit ID:** 64549

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Kenneth Davis  
C/o Gasque & Associates, Inc.  
28 Professional Village Circle  
Lady's Island, SC 29907

**LOCATION:** On and adjacent to Battery Creek at 1073 Otter Circle, Battery Shores Subdivision, Beaufort, Beaufort County, South Carolina.  
TMS#: R120-029-00C-0171-0000.

**WORK:** The work, as proposed and shown in the attached drawings, consists of constructing a private dock. Specifically, the structure will have a 4'x254' walkway with handrails leading to a 10'x12' covered fixed pierhead with water and electricity. On the ebb side of the pierhead a 3'x24' ramp will lead to a 10'x16' floating dock. The purpose of the dock is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before October 4, 2008. For further information please contact the project manager for this activity, Geordie Madlinger at 843-846-9400.*
